Stichting Kraamzorg de Waarden Groep

Our warmest congratulations on your pregnancy!

Do you want to be sure of the reliable maternity care of Kraamzorg de Waarden? Register now!

With no less than 16,000 maternity cares per year, Kraamzorg de Waarden is one of the most professional maternity care organizations around.

Kraamzorg de Waarden is proud to hold the WHO / UNICEF certificate Breastfeeding and Child Care and the quality certificate ISO / HKZ (Standardized Quality Assessment Care Providers). Kraamzorg de Waarden has concluded direct or indirect contracts with all health insurance companies to provide maternity care. We offer care guarantee and reliable maternity care by qualified maternity nurses.

De Waarden stand for:

- Professional maternity care, where the customer is very important. We are available for all your questions 24 hours a day. Our consultant will inform you about the childbirth, the post partum, your expectations and our capabilities.
- During your pregnancy, you can attend by a breastfeeding course. After delivery you will receive expert assistance with breastfeeding. Of course you also get support in giving bottle feeding.
- During labour you will get help from our maternity nurse and assists the midwife. If you want, the maternity nurse can also be present earlier to support you.
- Our maternity nurse also has attention and care for other family members.

If you want maternity care from us?

Arrange your care simply by calling 0900 – 5722646 (€ 0,35 per call) or visit www.kraamzorgdewaarden.nl
